Employment Verification for Daniel Felipe Patino

To Whom It May Concern,

This letter is to confirm that Daniel Felipe Patino was employed at Equally AI in the role of Account Manager.

Equally AI is a SaaS company specializing in web accessibility solutions. As an Account Manager, Daniel was responsible for driving sales of our software platform and managing client relationships. His duties included conducting product demonstrations, identifying customer needs, and guiding potential clients through the sales process.

If you require any additional information, please feel free to contact us at ran@equally.ai or by phone at +972 50861 4913.

Sincerely,
Ran Ronen
CEO
